

**ADDENDUM# 1
LED FLASHING ASSEMBLIES**

Bid # 6203F

May 12, 2011

Dear Vendors:

The Contract Bidding Documents pursuant to Bid # 6203F are hereby revised as follows:

- 1. Clarification of Quantities:** The Town of West Hartford is seeking a supplier to provide four (4) complete school zone flashing assemblies and two (2) complete red LED flashing assemblies per specifications.
- 2. Clarification of remote time clock programming:** The specification for the Red LED Flashing Assembly denotes Bluetooth capable remote time clock programming. Please delete the Bluetooth capable remote time clock programming from this item.

The following is in response to a RFI:

Q1: Is the Bluetooth mandatory to bid, we have some nice equipment but there is no Bluetooth feature per the spec?

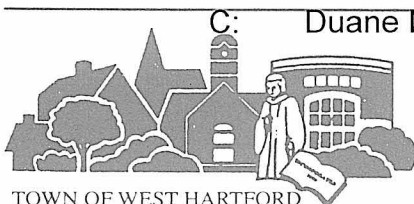

A1: While Bluetooth is preferred, it is not mandatory. Please provide detailed description of your company's remote time clock programming system, including but not limited to any additional equipment or software the town may need to maintain this program.

Thank you for your patience, time and consideration.

Sincerely,

**Tammy Bradley, CPM, C.P.P.B.
Sr. Buyer**
